

ELT4000CF

The ELT4000CF has all the features of our popular 2000 series but with the benefits of extended length and carbon fiber tubing for greater stiffness and less weight.

Features and Benefits

- Wide Frame extension leg design
- Fiberglass composite legs don't shrink and swell with changes in moisture
- Thermoplastic, stainless and aluminum components for durability and corrosion resistance
- Quick Lock positive clamping leg adjustment provides for quick and easy setups
- Replaceable stainless steel foot point
- Mechanically fastened parts (not glued on) for easy replacement
- 5 year warranty
