

## GT2000CF Surveyor's Tripod

The GT2000CF has all the same features of our popular 2000 series tripod, but with the additional benefits of carbon fiber legs. Carbon fiber-reinforced tubing adds greater strength with less weight, making this tripod of choice for those times you need to pack in for your setup.

### *Features and Benefits*

- Wide Frame extension leg design
- Thermoplastic, stainless and aluminum components for durability and corrosion resistance
- Quick Lock positive clamping leg adjustment provides for quick and easy setups
- Replaceable stainless steel foot point
- 5 year warranty
